Business Loan Documentation Guide

Documents typically required for working capital and term loan applications.

KYC Documents

- PAN and Aadhaar of all partners / directors / proprietor
- Passport-size photographs
- Address proof of business premises
- Certificate of Incorporation, MOA & AOA (for companies)

Financial Documents

- Audited financial statements for the last 2-3 years
- Provisional financials for the current year, if available
- Income tax returns for the last 2-3 years
- GST returns for the last 12 months
- Bank statements for the last 6-12 months (all operative accounts)

Business & Collateral Documents

- Business plan / projected utilisation of funds note
- Existing loan sanction letters and repayment track record
- Property documents and valuation report, if offering collateral
- List of major customers / suppliers with trade references

Tip

Reconcile GST returns with bank statement credits before applying - mismatches here are the single most common cause of delay during underwriting.
